

Towing Starter Rates

4101 N Grand Blvd. Suite D, Saint Louis, MO 63107

Starter Pricing

Item	Starter Rate
Local hookup / minimum tow	\$65 includes first 5 loaded miles
Loaded mileage after first 5 miles	\$3.50 per loaded mile
Online towing deposit	\$50 applied toward final tow total
After-hours starter fee	+\$25
Winch / pull-out starter fee	+\$45, subject to driver confirmation
Wait time after first 15 minutes	\$15 per 15 minutes

Estimate Notice

Online tow estimates are provided before dispatch to help customers understand likely costs. Final towing charges may change after the driver confirms vehicle condition, pickup access, exact mileage, weather, keys, wheel condition, special equipment, wait time, and destination requirements.

Additional Service Fees

Vehicle Condition / Special Handling

Extra fees may apply if the vehicle has locked wheels, no keys, damaged tires, accident damage, is stuck, difficult to access, or requires winching, extra labor, or special equipment. Charges will be explained before service whenever possible.

Wait Time Fee

The first 15 minutes of wait time are included. Additional wait-time charges may apply if the driver is delayed because the vehicle, keys, customer, access, payment, paperwork, or drop-off location is not ready. Additional time may be charged in 15-minute increments, and the customer will be informed when wait time begins whenever possible.

These starter rates are designed for standard light-duty passenger vehicles in the Saint Louis area. Heavy-duty towing, accident recovery, impound, storage, extra equipment, or unsafe recovery situations require a custom quote.
